

Dear Frank, Con & all the team at Macquarie Function Centre,

We recently got married at the function centre on the 10th March & we write to thank you for everything you had done to make our day as memorable as what it was.

Thankyou Frank & Con for all your help. You both put our minds at ease knowing that you could & would take care of everything. Your honesty, help & no job to big or small approach were greatly appreciated. All the questions, all the things that were stressed about- seating, cars etc worked out perfectly because both of you were so organised- true professionals.

We have had many people comment on the day- esp the reception. The food, entertainment, atmosphere- everything was so good & well organised. It was great to sit back & enjoy the ride knowing everything was taken care of.

Again we THANKYOU & we wish you all the best of luck for everything.

Kind regards

Darren & Rebecca Briffa
