

Dear Frank and Con,

Amos and I would like to thank you so much for a great evening. Macquarie Function Centre sure knows how to hold a function.

Thank you so much for looking after us - we've had so many compliments about how well everything went and also about the food itself..... The Samoan people gives it 100%!!! That's why our cousin Kay and Fosi are also having their wedding at your function.

Con - you did an excellent job!!!! Frank you should stay home as Con sure knows how to work the floor.

Thank you so much - it was one less stress to worry about.

See you in November at our cousins wedding.

Erika and Amos
