

Hi Frank

This is just a quick email to say thank you very much for making my wedding which was on the **19 Nov 2005** absolutely perfect. I could not thank you earlier as we have been overseas for our honeymoon. All the guests commented that the food and drink service was great.

I was referred to you by a friend of mine who had been to a few weddings at the centre and i will definitely recommend you to anyone else i know who is getting married.

Take Care

and thanks again

Kind Regards
