

My daughter Elissa celebrated her marriage to Nathan Esposito at the Macquarie Function Centre on Saturday 29/11/2003. My husband and I would like to extend our appreciation and thanks for your personal touch to their evening. The night turned out to be everything the couple dreamed about. As parents, we could not ask for better. Being from a large Italian family, we have attended many weddings, but could not fault your presentation. The food was served on time, hot and delicious! Many, many of our guests have commented on the success of the evening, which could not have been brought about without your professional service.

Personal thanks to Kurt, who knows Elissa personally as he has helped Elissa with all the preparations, and also to Chris who was a fantastic MC.

Again, although much of the preparation for this wedding was carried out by Elissa, without your help and support, and the professional manner in which the night was conducted the evening would not have turned out the exceptional night it did. We will always remember this night as a fantastic, fun night and would not hesitate in recommending your venue to any couple contemplating marriage.
