

To Frank, Kurt & all the staff of MFC

Just a quick little message to thank you all for the wonderful reception you provided for our wedding. It will be a night Manuel & I will never forget.

Everything from the beautiful decorations, to the wonderful food & the fantastic service was second to none and the feedback we have received from our guests is definite proof of that. I have absolutely no hesitation in recommending your well run establishment to all in the future.

Please also thank Chris for us who did a fantastic job as MC - couldn't have asked for anyone better - thanks!!!

Kind regards
