

Franco

Its Steve Lambou from Melbourne

Just wanted to thank you on a great job for my wedding with Candy January 27

We had a great night and the food was great

Also wanted to make a special mention to Con who was fantastic all night as well and in the days leading up to it helped us out a great deal

Only thing i would have liked was to have had an ice machine arranged at a reasonable rate

Place looked great / service first rate

Thanks again

Steve
